RE: Amended March Report (2/1/2005-2/28/2005)  
Response Due Date: July 15, 2005

Dear Ms. Singer:

This letter is in response to the Commission's request for additional information related to the disclosure of additional receipts on Line 11(a)(i) of the Detailed Summary Page on the above referenced report filed by the International Association of Fire Fighters Interested in Registration and Information PAC (IAFF FIREPAC).

The disclosure of these additional receipts was actually reported to the Commission on the first Amended March Report, filed on April 4, 2005. The difference between the two reports was due to a technical error that prevented these receipts from being entered into the Committee's membership database, and subsequently into the Committee's FEC reporting software. Once the error was discovered and the technical issues were resolved, the Committee immediately filed an amendment that disclosed the correct figure on Line 11(a)(i) of the Detailed Summary Page. Action has been taken to educate staff and improve procedures to insure that this does not happen in the future.

If you have any additional questions, please feel free to contact the Committee.

Sincerely,

Vincent J. Bollon
